Whether your passion is food, wine, travel or spa, Denise's columns bring readers closer to the experiences they crave.

Her Culinary Nomad column chronicles gustatory adventures for travelers, like Denise, who believe the tastiest way to experience a new culture is through local food and wine. Sip & Savor, a wine column, makes wine more approachable and enjoyable for readers by incorporating information gleaned from Denise's Advanced Sommelier certification. And her Spa Pleasures column brings spa treatments to life, leaving readers enlightened, invigorated and eager for their next spa visit.

Whatever your passion, Denise delivers a column that celebrates it.
